**Cyber Capital and Sensus Capital to sign management services agreement. Katie Richards appointed CEO at Cyber Capital.**

**Amsterdam (Netherlands) and Zug (Switzerland), March 24, 2021 - Cyber Capital B.V. and Sensus Capital AG have concluded an agreement which comprises financial consulting and management services. Katie Richards, Chairman of Sensus Capital, will assume the CEO role at Cyber Capital as of April 1, 2021. The goal of the collaboration is to combine established crypto investment expertise with traditional investment business and network.**

Crypto investment pioneer Cyber Capital, which was one of the first in the world to launch a cryptocurrency fund in 2016, is looking back on a very successful 5-year track record. The specialized team combines outstanding crypto expertise with a thorough fundamental analysis investment strategy and strives to continuously generate superior returns for a long-term investment horizon.

Sensus Capital, an independent services company based in Zug, Switzerland, will provide consulting and management services to Cyber Capital. Katie Richards, Chairman of Sensus Capital AG, will assume the role of CEO of Cyber Capital as of April 1, 2021 bringing over 25 years of international experience in financial services, corporate and digital environments. She joins from Falcon, the first bank in Switzerland to pioneer cryptocurrency investments in 2017, where Katie was Head Digital Custody & Trading and Head Process Management.

**Justin Bons, Founder and CIO of Cyber Capital:** “We are very pleased to partner with Sensus Capital to combine our crypto-native capabilities with their financial consulting and management expertise. I am very glad that Katie will assume the role as CEO of Cyber Capital as she brings a wealth of leadership, risk management and operational experience from various established global financial institutions and start-ups as well as comprehensive skills in both traditional and digital assets investment businesses.”

**Katie Richards, Chairman of Sensus Capital and CEO of Cyber Capital:** “I am delighted to take on this new exciting role. Sensus Capital specializes in providing tailored consulting and management services with a broad network and experience in traditional and innovative financial services. Cyber Capital has developed remarkable crypto investment capabilities and I am proud to be joining to lead such a talented team to further develop and realize their business growth initiatives.”

**Biography Katie Richards, Chairman Sensus Capital AG & CEO Cyber Capital B.V. (effective April 1, 2021)**

---

Katie has over 25 years of international experience in financial services, corporate and digital environments. Her previous positions include senior management roles at a number of leading institutions; Salomon Brothers, IBM, Credit Suisse and UBS, and has an established track record in shaping business strategy, product and service development as well as leading teams and strengthening stakeholder trust.

She joins us from Falcon Private Bank, the first bank in Switzerland to pioneer investments in cryptocurrencies in 2017. Katie was Head Digital Custody & Trading and Head Process Management. Her responsibilities included driving new regulatory compliant business and banking operations for digital assets and services as well as process management and governance. As a certified professional risk manager and process management expert, she holds degrees from McGill University (BComm), Cass Business School (MSc.) and the University of Cambridge (MPhil).
